Re: Proposed annexation to the
City of Bellflower, Annexa-
tion No. 3 (Detachment from
the City of Long Beach)

Dear Mr. Berry:

At the meeting held on May 11, 1960, the County Boundary Commission reviewed the boundary description and map submitted by you, with your letter of April 22, 1960, of the proposed annexation of territory to the City of Bellflower.

The boundaries submitted do not create islands or corridors of unincorporated territory and conform with record lines except for the southerly boundary which is an arbitrary cut.

The description as submitted is an area type description and not, technically, a description of the boundaries. Upon recommendation of the County Engineer, revisions were made in the description to provide definiteness and certainty in accordance with Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,
